Email Subject: Deloitte & Touche LLP Comments on the draft NIST SP 800-63-4

Dear NIST Team:

Enclosed are Deloitte's comments on the NIST SP 800-63-4 draft. As one of the largest professional services organizations in the United States, Deloitte provides a vast array of Identity, Credential, and Access Management (ICAM) services across 2,800 engagements in major commercial industries and 15 cabinet-level federal agencies. We serve our clients by helping them better align their digital identity investments with business risk priorities. Our comments reflect our experience of advancing digital transformation programs to support broader online access to benefits, services, and information across a range of organizations.

Please let me know if you have follow-up questions.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Colin Soutar".
